Week 4

WELCOME

Welcome to the service today. We hope that you will feel at home with us, and experience the presence of God as we worship together. If this is your first visit, please sign the visitor's book. On Sunday mornings we warmly invite visitors to make use of our crèche, children and young people's activities - please ask for the group relevant to your child's age. At our Family Celebration Services our crèche is still available but the children and youth stay in Church to join in the fun. We serve tea & coffee between our two morning services and again after the evening worship and we hope you will join us. There is an opportunity to receive personal prayer at the close of each service, whatever the request or need and one of our Prayer Team will be pleased to meet you.

An induction loop is fitted in the main worship area for the benefit of hearing aid users.
