Children's Ministry

Children's Groups

The joy of giving to God in worship is the theme for this morning's teaching. Our destination is Exodus 35²⁰-36⁷ and 39³²-40³⁸ to learn how the Israelites gave their possessions and skills in the worship of God. The children will learn all about how Moses told everyone that God wanted them to bring offerings to go towards the making of the tabernacle and that the people could give or make things as well as help others as an act of worship.

Next Week is Mothering Sunday

So please come along and join us for our Family Celebration.
